

Investment Club Point Script

You can help me, and I can help you at the same time.

I am trying to win a point contest that will get me promoted in our New Mastermind Group. All I need to do is ask you a few questions, and when I'm finished, I need to Give you a FREE Mastermind Group Action Planner Workbook and a FREE Business Funding Application.

Every Person I Give these FREE Services to, I get points. As you can see, I can help you, and you can help me at the same time! You do want to help me, don't you?
